Hi everyone!!

The latest version (all the correct wording) is definitely on the PDF fact sheet.

So…If you refresh the GKM home page:

http://www2.epa.gov/goldkingmine

1. You will see that **Background** (lower right corner of the page) now says **Fact Sheets** (because, as Christie and others have said, we will have numerous fact sheets).

2. There is a new bullet called "Navajo Nation Fact Sheet" (let me know if you'd like me to change the wording of the link)

It takes you here:

http://www2.epa.gov/goldkingmine/navajo-nation-fact-sheet (it's a "Document page" – the type of page reserved only for PDF files on the EPA website)

Let me know if you'd like me to change the "intro" language on the "document" page. Right now it says this:

Gold King Mine Emergency Response in Navajo Nation

Thanks, everyone!!
